Three colors are available

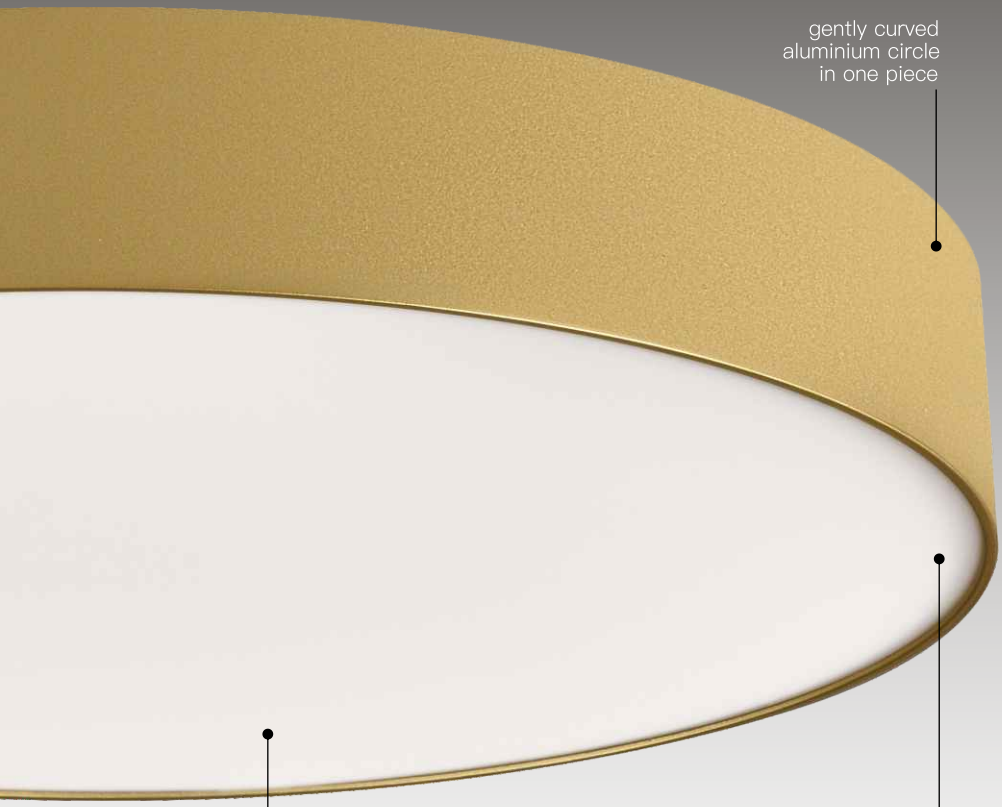
GOOD DESIGN

COLOUR

On request the Supernova can be offered in any RAL colour, matching the specific look and feel of your interior design.

available for different applications:
surface mounted & suspended.

GOOD DESIGN



gently curved aluminium circle in one piece

opal luminous surface avoiding visible lamp contours, providing a very enjoyable diffuse lighting effect

Waterproof, dustproof and mosquito–proof design

DUST PREVENTION

WATER PROOF

INSECT PREVENTION

EASY INSTALLATION

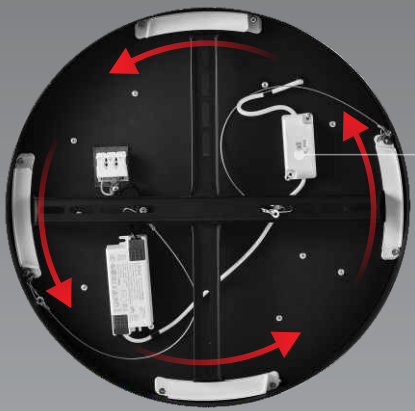
GOOD DESIGN

Step 1:
Fix the installation bracket on the ceiling with screws

Step 2:
Fasten the safety rope

Step 3:
Select the color temperature according to your requirements

Step 4:
Align the installation bracket with the snap-on entry and rotate it counterclockwise to complete the installation



Four steps to complete the installation, easy and fast!
